

**NEVADA GRAND ASSEMBLY
INTERNATIONAL ORDER OF THE RAINBOW FOR GIRLS
SCHOLARSHIP APPLICATION AND INSTRUCTION**

Procedure

Applications for scholarships must be submitted to the member's Advisory Board by May 1. The Advisory Board will review and forward all completed forms to the Chairman of the Scholarship Committee, with their recommendation, by June 1.

Eligibility

- Rainbow Members in good standing who are either graduating from high school this year or who are enrolled at an accredited institution. (Credits earned at a community college or other learning institution must be acceptable at an accredited college. Enrollment in a community or junior college is acceptable; however trade school enrollment does not qualify.)
- Majority Members for scholarships available specifically to them, i.e. the June Davidek Memorial Scholarship; the Margaret Kofoed Memorial Scholarship, the Supreme Inspector's Scholarship.

Application Package must include three sets of the following information:

- Three written recommendations: one from a high school official (teacher, counselor, coach); one from a person within the community familiar with the applicant (Pastor, community leader); and one from the Advisory Board. When a Majority Member is unable to obtain a teacher's recommendation or that of her advisory board because of the time since her majority, two letters are sufficient.
- The applicant must indicate her need for financial assistance at this time.
- The applicant's most recent transcript (high school or college)
- The applicant's statement noting her intention to carry at least twelve (12) credits during each of the next two semesters.

Initial distribution of funds: One-half ($\frac{1}{2}$) of the total award will be issued upon receipt by the Supreme Inspector of a paid registration notice for the first semester.

To maintain eligibility for the second semester, each recipient must provide the Supreme Inspector with

- A transcript reflecting at least a 2.75 GPA for the semester
- Paid registration receipt for the second semester reflecting enrollment in at least twelve (12) credits during the second semester.
- Affirmation she has remained unmarried, if an active Rainbow Member.
- Affirmation of her continued commitment to personal conduct which is significant of a Rainbow member.

If scholarship funds are awarded and the student drops out of school during the course of EITHER semester, the funds for that semester must be returned to Nevada Grand Assembly through the Supreme Inspector.
